2010 Johnson County Wastewater Rates

JCW customers will notice a change in our 2010 billing statement. Due to increased costs associated with transporting and treating wastewater, JCW rates have increased as well. The Average Winter Water Usage (AWWU) for residential customers which reflects water consumption for the winter of 2008/2009 has been recalculated. The following information details rates for each type of JCW customer:

These are your rates:

Service Charge \$2.89 (monthly)
Volume* \$2.12930 (1,000 gallon)

*Volume includes charges for domestic Biochemical Oxygen Demand (BOD) and Total Suspended Solids (TSS).
