**Public Meeting Notice
Lake Quivira Sanitary Sewer Rehabilitation**

Sanitary Sewer Improvements Planned for Your Neighborhood

Dear Property Owner:

Johnson County Wastewater (JCW) will host a public neighborhood meeting to discuss the sanitary sewer construction project in Lake Quivira. The meeting will be held **Wednesday, May 4, 2011, at 7 pm**, at the **Lake Quivira Clubhouse**.

Rodriguez Mechanical Contractors (RMC) has been selected as the contractor to perform the construction work. Representatives of JCW, GBA, and RMC will be present at the meeting to discuss the project. Residents will have the opportunity to meet the project team, ask questions, and learn about the construction phase of this project, including the anticipated construction schedule.

If the project impacts your property directly, you have already received letters and maps describing those impacts. However, all residents are welcome to attend this public meeting.

We look forward to meeting with you and thank you in advance for your participation. For more public meeting information, please contact myself or Patrick Beane, the project manager for JCW. Additional project information is available at www.jcw.org/engLakeQuivira.htm.

Johnson County complies with the Americans with Disabilities Act; if you have a disability and require special arrangements, please call (913) 715-8555.

Sincerely,
GEORGE BUTLER ASSOCIATES, INC.

Waldo A. Margheim, P.E.
